REQUEST FOR BIDS 1 & 2

We are sending two bids for the same project because we have not decided whether we will choose asphalt or pavers to repair the walkway. If possible, please bid on both bids. When all bids are received, we will decide whether we will choose the pavers or the asphalt pavement.

If you have any questions regarding this matter please feel free to call me.

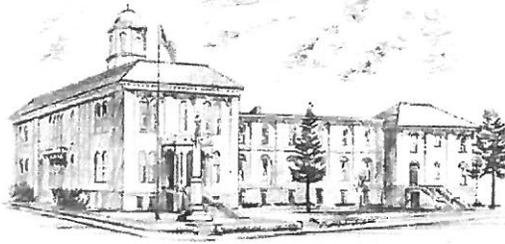

A handwritten signature in cursive script that reads "Patricia A. Fournier".

REQUEST FOR BIDS #1

The Androscoggin County Commissioners are soliciting bids to remove the asphalt walkway in front of the county building and replace it with **pavers to match the current pattern**. Bid specifications are attached and include: Attachment 1. Scope of work, Attachment 2. Diagram.

All bids must be sealed and addressed to the Androscoggin County Commissioners, 2 Turner Street Unit 2, Auburn, Maine 04210. The envelope must be outlined on the outside "**Bid for Walkway-Pavers**". Liability and Workers Compensation insurance documentation must be submitted with your quote. Please submit a minimum of three references from past projects. **Sealed bids are due on November 17, 2015** and will be publicly opened **at 10:00 a.m.** in the Androscoggin County Commissioners Office.

The Commissioners reserve the right to refuse or reject any and all bids or waive any minor discrepancies or technicalities in the bids or specifications, when deemed to be in the best interest of the County.

If you have any questions regarding this matter please feel free to call me.

Androscoggin County

General Overview:

Androscoggin County is seeking bids to remove the asphalt walkway in front of the county building and replace it with pavers to match the current pattern.

Scope:

The walkways and beneath the stairs have asphalt that will need to be removed along with the cement patches. The design/shape/size will match the existing walking path pitching away from the building. The gravel beneath the asphalt is believed to be only 2 inches thick and will need to be increased to a minimum of 4 inch thick.

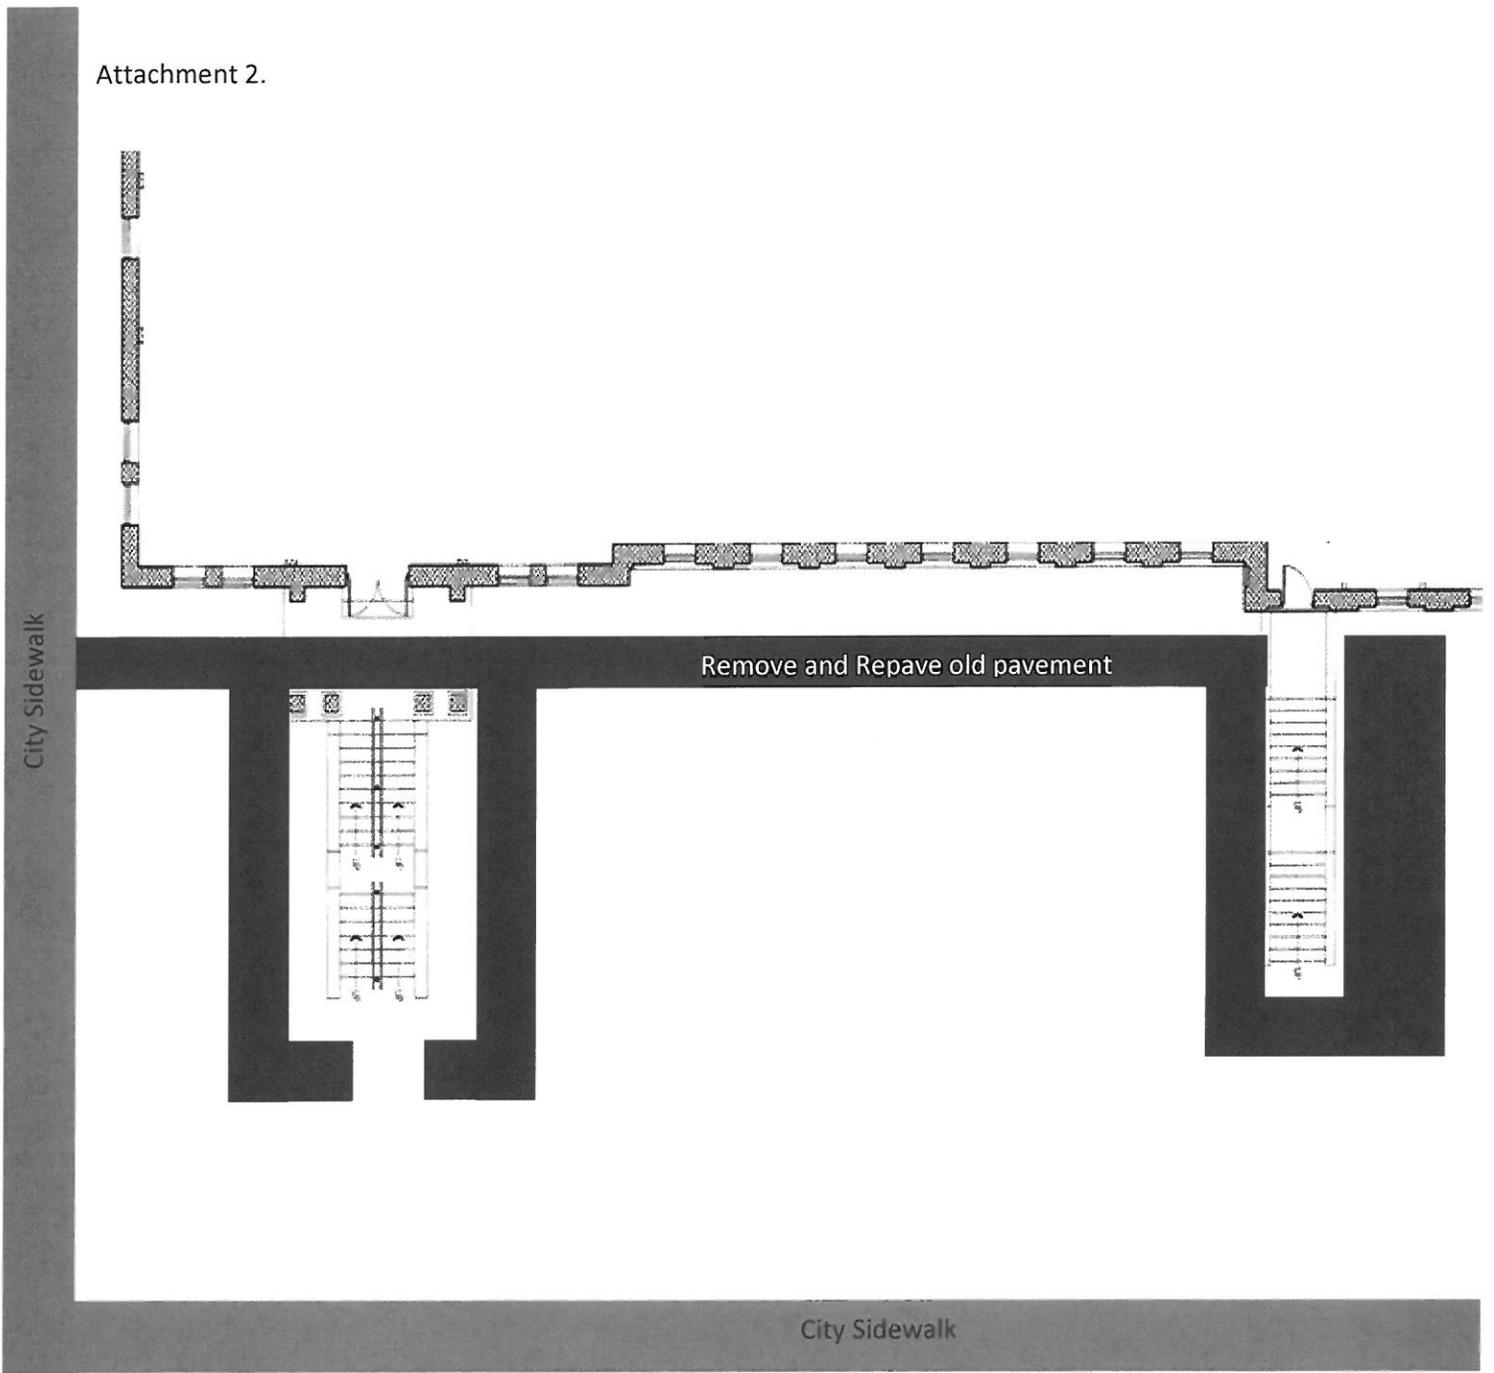

Start Date:

If approved, November 19, 2015

Responsibilities of contractor upon award of project:

1. Samples of the pavers will be given before the start of the project,
2. A window of Time will be allotted for the county to run a pipe across the pathway for a future project.
3. Permits will be the responsibility of the contractor.
4. The debris will be disposed of at no cost to the county,

Attachment 2.
